The Honorable Ray Mabus
Secretary of the Navy
1000 Navy Pentagon
Washington, DC 20350-1000

Dear Secretary Mabus:

I wish to bring to your attention an electronic letter I received concerning the frequency of flight operations and noise level associated with EA-18G Growler at Naval Air Station Whidbey Island. I understand there may be pending litigation between a community group and the Navy, and that the Environmental Impact Study is not yet complete; this request for information is in no way meant to influence or impede the adjudication of either process.

Please review [REDACTED] claim, and within the existing rules, regulations and ethical guidelines, provide me with a response to the claims that [REDACTED] and the Citizens Harmed by Disclosure Deception group have raised in their respective letters.

MARK ALL CORRESPONDENCE TO:

Attn: Micah Murphy
Office of Senator John McCain
241 Russell Senate Office Building
Washington, DC 20002

The response you provide will be most appreciated. If you should have any questions in the meantime, you can reach my office at (202) 224-2235. I look forward to your reply at your earliest convenience.

Sincerely,

John McCain
United States Senator
